2021 Fixtures

The 2021 Fixtures will come out in the next couple of weeks for the juniors as well.

Please be advised that the times stated in the fixtures will NOT be correct and will change on a weekly base.

Our new fixtures coordinator Hanneke, will send updated fixtures out on a Wednesday but expect for the first couple of weeks multiple changes to be applied. Traditionally, the first couple of weeks are hectic with Football West and teams and divisions are likely to change for some teams. This is not due to Whitford City FC or the fixtures coordinator but due to Football West having to adopt to changes requested to them by other clubs.

Please be patient and always double check fixtures on Friday after 5 pm.

As we will have 32+ teams and over 410 players, creating fixtures will be a challenge and there are multiple aspects that we need to take into consideration.
